UN agenda 21-2030

GOALS

UN Agenda 21/2030 Mission Goals

One World Government

One World cashless Currency

One World Central Bank

One World Military

The end of national sovereignty

The end of ALL privately owned property

The end of the family unit

Depopulation, control of population growth and population density

Mandatory multiple vaccines

Universal basic income (austerity)

Microchipped society for purchasing, travel, tracking and controlling

Implementation of a world Social Credit System (like China has)

Trillions of appliances hooked into the 5G monitoring system (Internet of Things)

Government raised children

Government owned and controlled schools, Colleges, Universities

The end of private transportation, owning cars, etc.

All businesses owned by government/corporations

The restriction of nonessential air travel

Human beings concentrated into human settlement zones, cities

The end of irrigation

The end of private farms and grazing livestock

The end of single family homes

Restricted land use that serves human needs

I'M SORRY BUT YOUR RACE CARD HAS BEEN DECLINED.

DO YOU HAVE ANOTHER FORM OF ARGUMENT?

I do not believe in race as such. Race is a fraud. All modern people are the conglomeration of so many ethnic mixtures that no pure race remains.

"I predict that by the 21st century, our society will have made so much progress that we won't need to talk about race anymore. In fact, the people who still talk about racism will be the real racists! Isn't it ironic, don't you think?"

This image is a screenshot of a Twitter thread. The top tweet is from user "IsItSafeYet? Decertify2020CCPDemsDestroyingFreedom" (Oct 18), replying to @WenMaMa2 and others. It features a video thumbnail of Lara Logan on Fox News with the caption "MEDIA COVERAGE OF COVID-19 UNDER SCRUTINY". Below it are two retweets. The first is from Tom (treerat) Lavis (Oct 19) showing a red Mini Cooper. The second is from JRShelton (Oct 19) showing a meme of Mike Pence with the text "Darkest Days are Ahead" and "I am Sworn In!". The third retweet is from Parker (Oct 19) with a meme of men in suits walking on a roof. The main tweet being discussed is from Rep. Barry Moore (Oct 18) questioning POTUS's intent to use the IRS to monitor taxpayers. Below this is a tweet from Congressman Drew Ferguson (Oct 15) about federal government snooping. This is followed by a tweet from mark8989 (Oct 19) linking to an article titled "How to Alienate Allies and Embrace Enemies - Be Joe Biden". Then Shells (@Aces362, Oct 6) shares a tweet about a Fox report claiming the FBI lied. Next is Maggie Shepherd (@IM4MAGACHANGE, Oct 18) criticizing the removal of the Thomas Jefferson statue. The thread continues with another tweet from IsItSafeYet? (Oct 14) replying to @kcinor and others, which includes a collage of images related to Kamala Harris and Jussie Smollett. Finally, there are two more retweets: one from Nolwene (@tnolwene, Oct 18) about renaming the White House, and one from TheTannerMaze (@tannermaze6, Oct 18) thanking the original poster, accompanied by an image of a fist painted with the American flag.
